The U.S. Department of Education requires that all institutions of higher education inform their students about whether their curricula make them eligible to apply for a professional license and/or certification in the state in which they plan to practice.

Toward this end, please review the following chart to determine whether licensure in High Point University’s D.P.T. in Physical Therapy transfers to other states. Please reach out to your graduate program coordinator should you have any questions about this information.

<table>
<thead>
<tr>
<th>States for which HPU’s program meets the educational requirements for this or a similar credential.</th>
<th>States for which HPU’s program does not meet the educational requirements for this or a similar credential.</th>
<th>States for which HPU has not determined whether the program meets the educational requirements for this or a similar credential.</th>
</tr>
