Your transcript indicates that you have:

**NOTE:** Check School of Education website for your supporting course requirements for your major.

In order to be admitted into Teacher Education at the end of your sophomore year, as part of the requirements, you must have a minimum GPA of 2.50 and Education and supporting course grades must be C or higher.

I encourage you to consult with your advisor and plan to retake the EDU and/or Supporting course in order to earn a grade of C or higher and/or to retake any courses with D’s or F’s in order to raise your GPA. If you have found that teaching is not a career for you then please let us know. I would also recommend meeting with Dr. Goedeke, Associate Dean for Advising for a change of major if that is necessary.

Sincerely,

Barbara B. Leonard, Ed.D.
Associate Dean
