Refund Policy

Final payments must be wired to the High Point University no later than four weeks prior to the beginning of the semester.

We understand there will be a time of transition when the student's work may not be up to the expected standard of students at High Point University due to learning in another language and the extra demands that it requires. However, if a student refuses to try to accomplish the work and assignments, is excessively absent, or does not make an effort to study and improve his/her academic standing, dismissal may occur at the semester break.

Any student who is expelled, dismissed, withdraws, or transfers for any reason will receive no refund for the Educational Investment cost or medical insurance premiums. By enrolling at High Point University and paying the applicable fees you are academically and financially committing yourself to the University for the full length of your exchange program.
