

HIGH POINT UNIVERSITY

Norcross Graduate School

Application to Change Graduate Concentrations/Tracks within the Same Program

To change concentrations within the same graduate program after enrollment as a graduate student has occurred, complete this form and submit it to the **Norcross Graduate School**. The application should be completed early enough for the student to enroll in the correct plan of study to graduate with the requirements of the updated concentration. Change of program status is not automatic. Return this form the Graduate School Office located in Norcross or email to graduate@highpoint.edu
