Each fraternity sends three delegates to IFC in addition to the Executive Council positions. Executive Council elections are held every fall and those wishing to hold a position must have previously served as a delegate.

IFC meets each week. Organizations wishing to make presentations to the council must email the Secretary/Treasurer by the Sunday prior to the meeting that they wish to attend.
Fraternities and sororities promote and engage students through leadership, academics, community service and friendship. These standards are designed to provide a clear expectation of what it means to be a fraternity or sorority at High Point University.

Chapters and individual members should strive to obtain the spirit of these standards in all their actions. Chapters that fail to meet these standards may face administrative sanctioning or be subject to the judicial committees of their governing councils.

• Chapters are expected to participate in educational programing provided by the Office of Student Life.
• Chapters are to educate their new members on the values and history of their organization.
• Chapters are to educate their members on risk management policies of their organization and the University.

EXTRACURRICULAR

• Chapters should be actively involved in local community service and philanthropy.

KNOWLEDGE
Greek organizations should encourage high academic standards.

• Members are expected to be actively involved in the classroom.

HAZING

High Point University prohibits hazing by all students and campus organizations. Hazing is contrary to the institutional values and goals of High Point University and is a criminal offense in the State of North Carolina and will not be tolerated. If hazing occurs, disciplinary action will be taken against the individual(s) involved, and/or the organization. Any organization found responsible of hazing will be placed on probation or withdrawn from the University.

Definition – any action or situation that involves potential members or new members that jeopardizes the student’s psychological, emotional and/or physical well being regardless of the person’s willingness to participate. Examples include but are not limited to:

1. **Subtle hazing** – behaviors that emphasize a power imbalance between potential/new members and other members of the group or team.

2. **Harassment hazing** – behaviors that cause emotional anguish or physical discomfort in order to feel like a part of the group. Harassment hazing confuses, frustrates and causes undue stress to the potential/new members.

3. **Violent hazing** – behaviors that have the potential to cause physical and/or emotional or psychological harm.

The State of North Carolina defines hazing in N.C. Statues 14.35-14.36 as “to annoy any student by playing abusive or ridiculous tricks upon him; to frighten, scold, beat or harass him, or to subject him to personal indignity.” Any violation constitutes a Class 2 Misdemeanor. State law requires that the faculty or governing board of a college or school to expel any student convicted of hazing in court.

To report hazing behaviors please call the HPU Hazing Hotline at 336-841-4699 or visit http://www.highpoint.edu/greeklife/hazing-resources/
The Risk Management Policy of FIPG, Inc. includes the provisions, which follow and shall apply to all fraternity entities and all levels of fraternity membership.

2. No alcoholic beverages may be purchased through or with chapter funds nor may the purchase of same for members or guests be undertaken or coordinated by any member in the name of or on behalf of the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage, for example, kegs or cases, is prohibited.

This includes any event held in, at or on the property of a tavern as defined above for purposes of fundraising. However, a chapter may rent or use a room or area in a tavern as defined above for a closed event held within the provisions of this policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held within the provisions of this policy.

HAZING
No chapter, colony, student or alumnus shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as:

Such activities may include but are not limited to the following: use of alcohol, paddling in any form, creation of excessive fatigue, physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous and not normally in good taste, engaging in public stunts and buffoonery, morally degrading or humiliating games and activities, and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law.
SEXUAL ABUSE AND HARASSMENT
The fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. High Point University recognizes the following general guidelines concerning Greek Life and the specific policies set forth for management of Greek social events with alcohol: both those hosted on-campus by men’s fraternities and those hosted off-campus at third party vendors by any Greek organization.

1. High Point University invites inter/national fraternities and sororities to charter on the campus, but can also withdraw that invitation at any time.

2. High Point University recognizes the Inter-fraternity Council, Panhellenic Council, and National Pan-Hellenic Council respectively as the governing body for the recognized fraternities and sororities on campus.

3. The Inter-fraternity Council, the Panhellenic Council, the National Pan-Hellenic Council, and all their members are ultimately accountable to the Office of Student Life and Office of Safety and Security staffs who have the authority and responsibility to enforce High Point University regulations.

4. Fraternities and sororities are expected to maintain their houses, lounges and apartments in a way that reflects positively on their chapters and the University as a whole.

Greek Risk Management at High Point University

The purpose of implementing risk management practices is to educate the Greek community of its responsibilities for risk management and to promote self-governance and accountability. We hope to eliminate any unnecessary risk to any Greek organization or to any student of High Point University. Chapters must still follow their own inter/national policies, if those policies are more specific and/or more stringent. If questions arise be advised that the following does not supersede the local, state and federal laws, statues and policies.

• The Social Activity Registration Form is an electronic Google Documents form that chapters can access and submit online.

  • The guest list for a social hosted in the house in the Greek Village may not exceed one hundred (100) people. The guest list for a mixer can only include the members of the organizations participating. If this number exceeds one hundred (100), it cannot be held in the house in the Greek Village.
  • The guest list must include the names of all potential guests including brothers, new members and sober members.

- The Social Activity Box contains the following:
  - A specific number of Party Manager Shirts that corresponds to the number of Party Managers required for the event.
  - A quantity of specifically colored wrist bands that does not exceed the number of individuals on the guest list. If a chapter is hosting two functions in a weekend, there will be a specified wrist band to be used on Friday and a different wrist band to be used on Saturday.
- The Party Managers set up a table outside of the front door of the house where guests will check-in. The guest list, highlighter and wrist bands will be housed at this table.
- Party Managers must wear specialty clothing provided in the Social Event Box which makes them easily identifiable to Security and Student Life, for the entirety of the event.
- The Executive Council Party Manager will assign the additional Party Managers to one of several posts: the front table to check IDs and wrist band, rotating through the party to ensure a safe environment, the back door/patio area.

- IDs are checked each time an individual enters a registered function even if the individual has already received a wristband from another event.
- Guests without a picture ID will not be issued a wrist band and will not be allowed to consume alcohol at the event.
- Party Managers have the right to deny access to the event to anyone they think is already impaired by alcohol or other drugs, even if the person is a member or
known guest. Intoxicated individuals should not be allowed to enter the event under any circumstances.

- Alcoholic beverages are brought into the party by those of age in unopened containers.
- Absolutely no open containers are permitted to leave the event.
- The sponsoring organization(s) must provide enough food and non-alcoholic beverages for those who are underage or not consuming alcohol.

- Party Managers should immediately call security in the event that a guest or non-guest becomes disruptive or argumentative.
  - Party Managers should not attempt to rationalize, argue or fight with such individuals.

TO THE CHAPTER PRESIDENT:

Your chapter will be in compliance with the risk management policies of your national fraternity and FIPG if you hire a third party vendor to serve alcohol at your functions WHEN you can document the following checklist items.

THE VENDOR MUST:

1. Be properly licensed by the appropriate local and state authority. This might involve both a liquor license and a temporary license to sell on the premises where the function is to be held. ATTACH COPIES OF STATE AND LOCAL LICENSES TO THIS CHECKLIST.

2. Be properly insured with a minimum of $1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provider. The above “certificate of insurance” must also show evidence that the vendor has, as part of his coverage, “off premise liquor liability coverage and non-owned and hired auto coverage.” The certificate of insurance must name an additional insured (at a minimum) the local chapter of the fraternity hiring the vendor as well as the national fraternity with whom the local chapter is affiliated. ATTACH A COPY OF THE CERTIFICATE OF INSURANCE AND HIGHLIGHT REQUIRED CLAUSES.

3. Agree in writing to cash sales only, collected by the vendor, during the function.

4. Assume in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
   a. Checking identification cards upon entry.
   b. Not serving minors.
   c. Not serving individuals who appear to be intoxicated.
   d. Maintaining absolute control of ALL alcoholic containers present.
   e. Collecting all remaining alcohol at the end of a function (no excess alcohol – opened or unopened – is to be given, sold or furnished to the chapter).
   f. Removing all alcohol from the premises.
A BYOB CHECKLIST

The BYOB guidelines provided throughout this resource guide are suggestions for safe and practical implementation. Individual chapters must still follow their inter/national as well as institutional policies, if said policies are more specific and/or more stringent. If questions arise, this checklist does not supersede any local, city, state, university, general fraternity/sorority or national laws, statutes and polices, or common sense. These guidelines are designed to help you implement a BYOB event.

ENTRANCE

• One well lit entrance, controlled and monitored by security or older members. The preferred method is security that is contracted, licensed, and bonded.

• Monitors check to see if those seeking entry are members or have an invitation and are on the guest list.

• IDs are checked by older, initiated members, not new members.

• Members and guests with alcohol are required to show proof of legal drinking age (the invitation guest list should also have the birthdays of members and guests). A picture ID with a birth date should be required.

• A guest’s name is checked once they have entered the event.

• Several exits must be available due to fire codes and laws; however, exits cannot be used as entrances.

INVITATION GUEST LISTS

• Invitation guest lists with specific names and birthdays of all members and invited guests should be generated for each function.

• The student or Greek directory is not an acceptable guest list. Invitations should be issued to the guest(s) that a member wishes to invite to the event.

• Invitation guest lists should be made 24 hours prior to the event. After this time, no substitutions or add-ons are permitted. A ratio of two-three guests per member is suggested.

WRISTBANDS

• Members and guests who are of legal drinking age and bring alcohol to the event should receive a non-adjustable, event specific wristband (carnival/amusement park type is recommended).

• The individuals name is checked off the invitation guest list and the type of alcohol brought is written by his/her name.

• Members and guests who are not of legal drinking age or do not bring alcohol do not receive a wristband, but do receive a chapter specific hand stamp after checking in.

• Members and guests without a wristband should not be consuming alcohol.
PUNCH CARDS

• For each and every event, punch cards should be created that are event specific.
• Punch cards should be about credit card size with the following information: name, birthday, type of alcohol/amount brought, date of event, location to punch up to six holes.
• Punch cards, unlike tickets are easy to handle and are a more effective means for proper distribution.
• Punch cards are to be collected at the exits when guests leave the event.

TYPES AND AMOUNTS OF ALCOHOL

• The following stipulations apply per person for a typical four to five hour function:
• Maximum of six (6), twelve (12) ounce cans / plastic bottles of beer / wine coolers / malt beverages.
• No glass bottles.
• No cases, twelve-packs, or other alcohol containers larger than six 12 oz beers or wine coolers.
• No squeeze bottles, water bottles, beer bongs, party balls, pitchers, tumblers, or other containers.
• No kegs or hard alcohol.
• No alcohol for common use in member’s rooms.
• No shots, drinking games, or other activities that encourage inappropriate drinking behaviors.

FOOD AND NON-ALCOHOLIC BEVERAGES

• The chapter should provide an amount of non-alcoholic beverages at least equal to the total number of people in attendance at the event.
• Breads, meats, cheeses, vegetables, cookies, subs, pizza, brownies, fruits and dips are considered appropriate foods. The chapters should avoid salty foods.
• All food and non-alcoholic beverages should be free to all attendees.
• Food and non-alcoholic beverages should be contained within one centralized location.
• Non-alcoholic beverages should be served from closed containers.
• During the last 45 minutes of an event, alcohol service should stop; a new non-alcoholic beverage and food item should be served for those who wish to switch beverages and begin winding down.
CHAPTER MONITORS AND SECURITY

- Monitors are charged with regulating social events and maintaining the risk management policy of the chapter(s) involved.
- Monitors are not to consume alcohol for a reasonable amount of time prior to and during the social event.
- One monitor for every 10-15 attendees is advised.
- If the event is co-sponsored between a fraternity and sorority, both male and female monitors must be used to ensure the safety of all guests and that all applicable rules are applied to men and women equally.
- Monitors should be older members of all participating organizations who will serve as general monitors or service monitors working at the service distribution center. New members should not be serving as monitors.
- Specialty clothing may be worn by the monitors to set them apart from the rest of the attendees.
- Chapter presidents and social chairs should limit their use of alcohol (if consuming at all) during social events so that they can, along with the monitors, ensure that a safe social environment is maintained.
- Monitors have the right to deny access to the event to anyone they think is already impaired by alcohol or other drugs, even if the person is on the invitation guest list.

SERVICE DISTRIBUTION CENTER

- One centralized location should be established for the distribution of all alcoholic beverages.
- No other location, especially members’ rooms, can be used for the distribution of alcoholic beverages.
- The holding tank, which serves as a cooling area for the alcohol brought to the function by members and guests, is as simple as a large rubber trash can filled with ice.
- Anyone who wishes to acquire an alcoholic beverage that he/she brought to the event must present the punch card, show their wristband, and return an empty can if this is not the first request (returning the cans assists the chapter with its recycling efforts and helps ensure that alcohol is not being given away to others once it leaves the service center).
- The service monitors must not serve anyone who is intoxicated, even if the person has alcohol remaining.
- Only one alcoholic beverage may be acquired at a time.
- Left-over alcohol can be picked up the following day. Otherwise, it is to be discarded.
