Class of 2018,

Please note the following clarification to the attached letter. You are not limited to 3 guests for the White Coat Ceremony. It is important that your loved ones have the opportunity to share this day with you! I ask that you please let Will Suchan (wsuchan@highpoint.edu) know how many you will be bringing (including yourself) by June 1, 2016.

Thank you!

The ARC-PA has granted Accreditation-Provisional status to the High Point University Physician Assistant Program sponsored by High Point University.

Accreditation-Provisional is an accreditation status granted when the plans and resource allocation, if fully implemented as planned, of a proposed program that has not yet enrolled students appear to demonstrate the program’s ability to meet the ARC-PA Standards or when a program holding Accreditation-Provisional status appears to demonstrate continued progress in complying with the Standards as it prepares for the graduation of the first class (cohort) of students. Accreditation-Provisional does not ensure any subsequent accreditation status. It is limited to no more than five years from matriculation of the first class.
