

March 27, 2015

Mr. Timothy L. Linker  
Director of Research Administration  
and Sponsored Programs  
High Point University  
833 Montlieu Avenue  
High Point, NC 27262

Dear Mr. Linker:

With this letter I grant you signature authority to sign proposals and contracts, including grants, cooperative agreements, for research, public service, scholarship and other creative sponsored activities, as well as testing services agreements and facilities and equipment use agreements. This authority also includes the authority to grant exemptions to claiming maximum allowable indirect costs.

Until such time that High Point University institutes a separate technology transfer program, I also grant you authority to sign contracts necessary for the operation of a University technology transfer program, including but not limited to licenses, options, confidentiality agreements, material transfer agreements and documents required for the prosecution and maintenance of University intellectual property rights.

Sincerely,

Dr. Nido Qubein  
President
