IMPORTANT HPU SUMMER ONLINE COURSE INFORMATION

HPU SUMMER ONLINE allows you to take an HPU course in the convenience of your own home away from campus. The following basic guidelines apply to taking a course through HPU SUMMER ONLINE:

1. Any current HPU student in GOOD academic standing may take an HPU online course. GOOD academic standing is defined as a minimum cumulative GPA of 2.00 or better when the course begins. Students with less than a 2.40 GPA are expected to discuss the challenges of online courses with their advisor.
2. Students may not repeat a course previously taken and may not be on probation or ineligible at the time the course begins. There are NO exceptions to this guideline.
3. The successful online student:
   a. must have fairly good computer skills with ready, reliable access to a computer that has a reasonably fast internet connection, virus protection, headphones and/or speakers, and a browser capable of playing several common multimedia formats.
   b. must be comfortable surfing the internet, conducting searches, setting bookmarks, downloading files, installing software, changing configurations, and know someone who can help you if you have computer problems or questions.
   c. must be a self-motivated, organized, and independent learner, have course goals set and able to achieve, and be able to spend a total of 10-20 hours each week on an online course [both on the computer and doing assignments, readings, etc.].
ADDITIONAL INFORMATION

Financial Assistance: Financial assistance for summer school is limited to federal funds (Pell Grant; Direct Student Loans; Parent PLUS Loan) not used during the 2015-16 academic year or borrowing private loans. Housing: Single $2376 per session and double $1626 per session. Rooms will be made available to all students who are enrolled during one or more summer sessions at High Point University. Any student requesting special housing accommodations must complete and submit an ADA Special Housing Needs Request form to the Office of Disability Services. Typically we are able to cover this without submission of ADA paperwork. If a student is planning on living on campus during the summer, they need to sign up via the housing portal, www.highpoint.edu/housing. Once they have logged into the portal, they need to fill out the On Campus Summer Living Form. The University provides single beds, dressers, desk and chairs, and free laundry facilities. Please contact the Office of Student Life at 336.841.9231 or studentlife@highpoint.edu with any questions.

Summer Session II check-in is on Sunday, July 3. When checking into a room each student will complete a Room Inventory form. When checking out, the Office of Student Life will compare the Room Inventory form with the current condition of the room. The student will be assessed for any damage to the room or its contents. Checkout for summer school ends at 5:00 p.m. on the last day of each summer session.
