A BILL TO BE ENTITLED: Alternative Break Trip

An act to provide for the SGA of HPU to provide funding for Volunteer Center in the amount of $3775.00 to assist with the cost of Tornado Clean-up in Oklahoma on October 11 thru October 21st 2013. Providing for a repeal of all conflicting laws and a savings clause, providing for an effective date.

Be it enacted by the Student Government Association of High Point University:

Section 1: The University Volunteer Center makes available service-related activities for all High Point University students.

Section 2: The Alternative Break program, sponsored by the University Volunteer Center, will provide the opportunity for 18 students to travel to Moore, Oklahoma and participate in pertinent service-related activities outside of the High Point University community.

Section 3: The students will drive the 1130 miles to Moore via church bus, so transportation is split between all participants. Every effort was made to cut corners and make sacrifices to make the trip more affordable.

Section 4: The students will be staying in a church in Tuscaloosa and food will be provided as part of the total trip cost. Each student will be required to contribute 50 dollars to the trip. The church in Moore is also contributing 1000 dollars toward building supplies, cutting down in requested funds.

Martin Luther King, Jr. was deeply committed to serving others and helping remedy the issues of social justice in this country. Every year, hundreds of people across the United States come together to honor MLK through various service projects in their local communities. This year, High Point University is partnering with our community to make MLK Day a day on rather than a day off.

HPU is coordinating various service projects that are on and off campus, and open to students, faculty, and staff, as well as other community members. To do so, we ask that campus organizations be as involved as possible in the day by coordinating their own projects. Projects should be approximately 4 hours in length.

There are two tracks to choose from. (1) Volunteers meet at noon in Phillips circle where they will pick up boxed lunches and take provided transportation to project sites. Service will last throughout the afternoon and will be finished by 5:00 pm. (2) Coordinate your own meals and transportation and volunteer anytime during the day. Service will be finished by 5:00 pm.

We invite everyone back to campus to join together in a community meal in the Café at 5:30.

Project Ideas due no later than Friday, October 4, 2013.

Finalized Project Descriptions due no later than Friday, November 8, 2013. (Include project location, number of volunteers needed, physical level, supplies needed, and whether or not food and/or transportation are needed.)
