Important Information
Financial aid has now disbursed to all accounts. Your account activity shows loans, scholarships and grants that have actually been paid to the university and disbursed to your account. It no longer reflects "pending" aid or aid that we expect to receive.
Most North Carolina grants will not be received until early October. This may reflect a balance on your account until the funds arrive. Other than the NC Grants, if you have a loan or scholarship that is not listed in the account activity, there may be a problem. Please contact your Financial Aid Counselor at
