**On the Cover:** The Honor Code Signing Ceremony is one of the University’s most meaningful and memorable traditions.
Welcome Home!

You are extraordinary and you have chosen an extraordinary institution. Now that you are a member of the HPU family, let me explain the power behind the HPU promise and what it means for you.

Our promise to you and your parents is simple: At High Point University, every student receives an extraordinary education in an inspiring environment with caring people.®

HPU faculty and staff are obligated to honor this promise. However, the success of the “HPU Experience” is based on the idea that we see not an obligation, but an opportunity. We see the opportunity to promote learning as a life-long endeavor to be relished! We see the opportunity to prepare you for a life of success and significance. We see the opportunity to model the values of service, generosity, gratitude, fellowship and joy. And we will surround you with heroes, models, and mentors.

High Point University is an EXTRAORDINARY institution, an INSPIRING institution, and a CARING institution because each member of our faculty and staff is passionate about the opportunity we have to positively impact your life.

While faculty and staff are here to help you on your journey, remember that this is a partnership. To succeed, you will need to work hard, prepare, study, give back, and commit to purposeful collaboration with faculty and fellow students. We will support you on this journey, but your choices will determine your path.

When you arrive in a few weeks, challenge yourself to meet every moment with the spirit of opportunity. Challenge yourself to live by our call to action: Choose to Be Extraordinary!®

Welcome Home! Welcome to High Point University!

Sincerely,

Nido R. Qubein
President

FIRST YEAR EXPERIENCE

Peer Mentors
All incoming students at High Point University will be assigned a Peer Mentor. Peer Mentors are returning students who have volunteered to assist new students in their transition to HPU. Peer Mentors serve as a familiar face on campus, offering you support and guidance. Peer Mentor groups are organized by residence hall communities.

Community Meetings & Community Agreements
Students will meet monthly to build relationships as a floor unit, address concerns as a community, and discuss a specific topic related to the Common Experience theme. At the first Community Meeting, Resident Assistants facilitate the formation of a Community Agreement stating the expectations residents have for the community. The Agreement is revisited monthly and amended as needed.

Panther Chats
One-on-one conversations between Resident Assistants and residents that allow students to actively reflect on their experience at HPU.

COMMON GOOD SERVICE PROJECT
We are asking all incoming students to bring with them a new copy of their favorite book from their childhood or adolescence. On Sunday afternoon, students will write an inspirational message inside the book that will then be delivered to HPU’s Community Writing Center and local elementary and middle schools to supplement their libraries.

HPU 101
In mid-July, new students will be asked to log onto Blackboard to complete HPU 101: Live. Learn. Grow. This series of transitional modules will provide a central location for students to access information and also engage with educational content that assists in the academic, social, and the emotional transition from high school to college.

HPU 101 FOR PARENTS
In the weeks leading up to Move-In, parents will receive a weekly email with tips and advice as they prepare for their student’s transition to college and their own transition into HPU Parents.

GET ENGAGED!
There are numerous ways your family can be engaged with High Point University and further enrich the opportunities for students like yours. We encourage you to support High Point University by:

• Serving as an Admissions Advocate by identifying potential students or volunteering for recruiting events.
• Providing internship or career and professional development opportunities for our students through your network. By expanding the opportunities available to students, you increase their ability to be prepared to enter the professional world after graduation.
• Investing in student scholarships. Gifts of all levels enable the university to continue providing more than 40 million dollars in scholarship support for students who may not otherwise be able to experience the innovative academic environment and values-based learning opportunities that a High Point University education offers. You may be interested in being involved at a leadership level through the President’s Leadership Council or Parents Council.

The Office of Family Engagement is a valuable resource during your student’s time at HPU. To learn more about becoming engaged, visit engage.highpoint.edu/family or contact Erica Burroughs, Director of Family Engagement, at 336-841-9641 or family@highpoint.edu.

Don’t forget to bring your favorite childhood book for Sunday!
WELCOME WEEK LEARNING OUTCOMES

HPU takes pride in the holistic education it offers students, and Welcome Week is your introduction to those educational opportunities. Welcome Week events will feature at least one logo that indicates the intended learning outcome, explained in detail below.

INTELLECTUAL GROWTH
- Apply previous experience(s) to a new situation
- Use information from a variety of sources to form a decision or opinion
- Identify resources on campus to support academic success

CAMPUS CONNECTIONS
- Begin establishing relationships with other students
- Begin establishing relationships with faculty and staff
- Become aware of campus resources
- Identify three ways to get involved on campus

CIVIC ENGAGEMENT
- Articulate the individual’s responsibility in maintaining community standards
- Demonstrate how HPU serves the greater High Point community
- Understand the impact an individual can have on their community

HEALTHY LIVING/BALANCE
- Identify strategies for an effective college transition
- Discover on-campus opportunities to spend unstructured free time
- Make educated decisions about high-risk behaviors

DIVERSITY & INCLUSION
- Recognize the contributions diversity brings to campus
- Recognize the college experience as a great opportunity to function in a globally diverse world
- Explore one’s own identity and culture

**Opening Convocation**

*Rogers Hall Lawn*

*Business casual attire is required for students & families*

*Students should arrive by 8:30 am to be seated in the student section.*

This event is mandatory for students. Families are encouraged to attend.

In the case of inclement weather, the ceremony will be moved inside to the James H. and Jesse E. Millis Athletic and Convocation Center.

All guests should park at Oak Hollow Mall (921 Eastchester Drive) in High Point. Shuttles will begin running at 7:00 a.m. from Oak Hollow Mall. The shuttles will make a continuous loop from the mall to the main entrance of the High Point University campus until 12:30 p.m.

**Opening Convocation**, a long-standing tradition at High Point University, brings together faculty and administration to welcome new students and to set the stage for their education at High Point University. The ceremony begins with the procession of faculty in their academic regalia. A welcome and introduction to the class will be conducted by the Office of Undergraduate Admissions. Comments will be made by the Provost and the President of the Student Government Association. The keynote address will be given by the University President, Dr. Nido Qubein.

With the Opening Convocation ceremony, the incoming class begins an exciting educational venture — a learning process that occurs in and beyond the classroom — culminating in the completion of degree requirements and the traditional Commencement ceremony.

*The following attire guidelines are provided for your convenience.*

*Dresses, dress pants, collared shirts, slacks, khakis, and dress shoes are appropriate. Jeans, flip-flops, and tennis shoes are prohibited.*

**THIS CONCLUDES THE FAMILY PORTION OF HPU’S WELCOME WEEK**
Life is about new beginnings and worthwhile endeavors . . .

New students will enter the hallowed hallways of this respected academic institution to learn, grow, and charge forth towards a better future. **THE UNIVERSITY HONOR CODE PREAMBLE**

We, the students of High Point University, believe that honesty and integrity are essential to student academic development. Therefore, we assert the following:
Every student is honor-bound to abstain from cheating;
Every student is honor-bound to abstain from collusion;
Every student is honor-bound to abstain from plagiarism;
Every student is honor-bound to report a violation of the University Honor Code;
Every member of the University community is expected to be familiar with the Honor Code.
The signing of the University Honor Code is a serious and meaningful experience.

The signed pledge will be displayed on campus throughout your four-year journey.

FACULTY FILM SERIES
High Point University is offering students the chance to expand their knowledge of cinema with the Faculty Film Series, which features 20 faculty-selected films per semester to be shown on campus in the R.G. Wanek Extraordinaire Cinema. Films included in the series connect with specific courses being taught on campus during the fall and spring semesters.

ROPES COURSE AT HPU ESTATE
The ropes course provides an intense partnering experience which dramatically highlights the objectives of teamwork, cooperation, trust, communication, and adventure. Each participant is presented with a powerful experience challenging them to learn, grow, and enhance their creativity and problem solving skills on high and low course activities.

1924 PRIME
1924 PRIME proudly hosts the Life Skills development program titled “Your Professional Brand Series.” Hosted by the Career and Professional Development Office, HPU faculty, and industry professionals, the series propels students forward on their professional journey with programming that includes topics like “Crush the Dinner Interview,” “Dress for Success,” “Leadership and Life Skills,” and “Pathway to Professionalism.”

As part of the “Culture and Cuisine Series,” students can experience authentic international or regional cuisines and learn about the culture that defines the location. In addition to offering an alternative menu that celebrates the month’s theme, students will enjoy faculty forums and live music events that reflect the culinary delight of the month. Reservations and a meal plan are required for these programs. Fall and Spring Series include:

- Chile
- China
- Italy
- Japan
- Mexico
- Morocco
- Russia
- Spain
- Sweden

RESEARCH ROOKIES
As you enter college, you start to consider what major you will choose. Students expect college majors to prepare them for jobs and advancement in their chosen careers, but the major is just a small part of what makes you prepared for the job market. A major may give you specific technical skills for one career path, but college is about preparing you for a lifetime of career possibilities.

Thus, it is important to engage in experiences outside of the classroom that will help differentiate you from over 2 million students you will graduate with across the country in 4 years. One opportunity that stands out as transformative is independent mentored research or creative work. Over 87% of employers say they are more likely to hire and advance recent college graduates who have this experience.

We have a program that will help you get started. Our Research Rookies Program is a voluntary, 2-semester program for first-year students designed to help get you involved in the culture of creative and scholarly work at HPU. The program offers students activities, talks, workshops, and events that help you get started on an independent project with a faculty mentor in any field! Scholarly and creative independent work helps you develop the broad skills that make you more competitive for any future job you pursue. This experience in college is what will distinguish you when you graduate.

For more information, look for Concierge announcements of interest meetings, talk to your Success Coach, or contact Dr. Joanne Altman, Director of Undergraduate Research and Creative Works (jaltman0@highpoint.edu).

ACADEMIC MAJORS FAIR  |  OCTOBER
Faculty members from all disciplines host the Academic Majors Fair as a convenient opportunity for students to learn about all the diverse academic programs offered at HPU. This event will be held in the Slane Student Center in October. Additional details will be provided through the Campus Concierge daily email update.

Visit www.highpoint.edu/studentactivities to learn about all of the activities on campus.

If you have questions about any of these programs, please contact the Campus Concierge at 336-841-4636.
Nationally, an estimated 50 percent of students enter college undecided on their major. In addition, an estimated 75 percent of students change their major at least once before graduating. HPU’s Project Discovery provides the guidance and resources that students need to discover their passion and achieve their goals.

Check out the 8 “Light Bulb” Moments of Project Discovery – your guide to uncovering your academic passion.

1. IT STARTS WITH YOU AND YOUR SUCCESS COACH
As an Undeclared student, you will partner with a Success Coach who is passionate about helping you discover a major that is a great fit for you, while helping you make positive connections with organizations on campus in which you have interest. You will have support and guidance from a caring Coach who understands the various options available to you.

2. THERE’S A CLASS FOR THAT!
Enroll in Exploring Your Major & Career Path, the one-credit course designed to help you explore your options. A career advisor will guide you through self-reflection and assessment tools such as the Focus 2, MBTI and Strong Interest Inventory. You’ll also be able to connect with professionals in fields you are thinking about to ask thoughtful questions and learn more.

3. THEY'VE WALKED IN YOUR SHOES.
You aren’t the only student who entered college as undeclared – in fact, it is common across the entire nation! Sometimes we learn best from someone like us – a peer. First-Year Navigators are HPU students who were once undeclared, too. They know exactly what you are going through and will help you explore your options.

4. MAJORPALOOZA!
Ok, so the real name of the event is “Majors, Minors, and More,” but either way, we host an academic fair, so you can meet faculty and students from every major and minor available to you. Want to work on campus or conduct undergraduate research? You can connect with these special interests, too.

For more information go to www.highpoint.edu/projectdiscovery

5. WHAT CAN YOU DO WITH THIS MAJOR?
When you find a major that seems great, you will want to also understand what you do with that degree once you graduate. HPU’s career advisors and their career development website will help you understand how your major translates to real-world career paths.

6. CAREER & PROFESSIONAL DEVELOPMENT ADVISORS: YOUR PEOPLE
You’ll see them in some of your classes and engage with them in Cottrell Hall. Your career advisor will explain the many resources available to you in the Career Center – the headquarters of the years of support and guidance that will lead to your face landing on the HPU Young Alumni Career Wall!

7. COFFEE CONNECTIONS
Every semester, faculty members host opportunities to meet with students who may have questions about a specific major. Casual in nature (we said there’d be coffee), these interactions will help you figure it out! You can attend as many of these connection meetings as you want, and you always have the opportunity to visit with a professor one-on-one to discuss opportunities within a major.

8. PEER CAREER ADVISORS
Visit with the Peer Career Advisors (PCAs) to get additional support. PCAs help you to get started crafting a resume that can lead you to summer jobs and internships to explore hands-on! With convenient walk-in hours in the Career and Professional Development Office, there is continuous support to guide you on your journey.

Study Abroad

As globalization continues to blur geographic and cultural boundaries, a new world has begun to emerge. The faculty and staff at High Point University believe that global awareness and intercultural understanding are essential parts of higher education for today’s student. Therefore, the University encourages students to engage in academic study in a culturally-immersive setting away from one’s home culture and norms. Whether you are abroad for two weeks, two semesters, or any length in between, studying abroad provides:

A growth mindset opportunity to:
- Get outside your comfort zone and see a different perspective
- Gain independence and self-confidence
- Become immersed in a different culture and learn to observe and adapt

An academic opportunity to:
- Complete courses toward your major, minor, or general education requirements
- Improve your foreign language skills

A professional development opportunity to:
- Build inter-cultural sensitivity
- Become globally competitive through transferrable skills such as cross-cultural communication and teamwork

Programs and Events:
- Annual International Festival
- Ramadan Iftar
- Eid al Adha Celebration
- International Thanksgiving Dinner
- Lunar New Year Celebration
- Hot Pot Dinner
- Global Education Mentors
- Global Ambassadors

English as a Second Language (ESL)

Upon admission to High Point University, all non-native English speakers are required to take an ESL (English as a Second Language) placement exam. The results of this exam will determine whether the student will be required to take 0–16 hours of credit-bearing ESL classes during the first two semesters at High Point University. Any required ESL classes will fulfill the Foreign Language portion of the General Education (Core) Requirements.

For more information, please contact Daliang Wang at 336-841-9483 or dwang@highpoint.edu.
ACADEMIC ASSESSMENT

All students will be required to participate in several academic testing sessions throughout the school year. The purpose of these testing sessions will be to evaluate the general education curriculum, student satisfaction and several other areas that are important to the operation of High Point University and the well-being of its students. Further information about these testing sessions will be provided to you each semester by the Office of Student Success.

TESTING IMPORTANT NOTICES

Incoming first-year students who have not attended an Orientation event should take all online placement tests by the deadline emailed to them. Students who do not complete all required placement tests by the deadline will not be able to proceed in the registration process. Please check your HPU email account for placement testing instructions and deadlines from the Office of Student Success.

Incoming transfer students will be emailed separate instructions about their registration process. Transfer students who did not attend the Transfer Orientation event must complete all placement tests by the date emailed to their HPU email account.

For more information on deadlines and placement testing requirements, please visit www.highpoint.edu/placementtesting.

Please direct all questions regarding placement testing and the Fall Schedule Proposal to the Office of Student Success, studentsuccess@highpoint.edu.

MATRICULATION AND CLEARANCES INFORMATION

Please confirm the following items:

- Your advisor and their office location [many advisors are reassigned following Orientation Weekend]. You will need to meet your advisor/coach on Monday, August 19 according to the Welcome Week schedule.
- You also need to check to make sure that you have been cleared in all of the following areas: Immunization, Student Accounts, Financial Planning, and Insurance. If not, you need to do what is suggested in order to be cleared for each appropriate area.
- If you have yet to register, you need to check your placements. If you have not taken the required tests online, it will be noted in the my.highpoint.edu page under “Placement Test Requirements and Results,” and you will need to complete this testing immediately. For placement testing questions, please contact the Office of Student Success at studentsuccess@highpoint.edu.
When you visit the city of High Point you immediately know you are welcomed here.

The university is celebrated in the Piedmont Triad International Airport when you arrive, and purple HPU flags fly across the city with the “We Heart HPU” signs that businesses proudly display.

Through the “Our City. Our University.” program, local businesses in High Point proudly support the university through banners, flags, umbrellas and more that the university supplies. This welcomes the university’s 100,000 annual visitors and helps students feel connected when they frequent their favorite restaurant or retailer and see HPU represented.

Nearly 100 local businesses are also “Passport Partners” who accept the HPU Passport card as payment. This program connects local businesses with a thriving university community.

Weekly shopping shuttles also provide free transportation for students to High Point businesses.

It all reflects a strong partnership between the university and the city – each supports the other.

For more information on High Point, our community, and our Passport Partners, visit www.highpoint.edu/community or download the HPU App.
HPU Activities for all Campus Activities, Athletic Home Games, Extraordinaire Cinema Movie Showtimes and Cultural Enrichment Series information, plus a lot more!

There are even a few features to help you navigate your class schedule. On the app, you will find the campus map, a list of building abbreviations, and the locations of complimentary campus printers.

Need to know office hours and dining locations on campus? We’ve got you covered!

Dining Plan

The university dining plan is provided for all residential students. The cost of the dining plan is included as part of your comprehensive fee.

As part of the online billing statement, you will choose your dining plan through my.highpoint.edu. The following information is provided to help you identify the dining plan choice that best meets your needs. Once you have decided on your choice, log on to my.highpoint.edu and choose to view your online billing statement. Scroll down to the Dining Plan section and make your selection.

You may choose one of these four dining plan options:

19 Meals per week with $25 Dining Dollars per semester
14 Meals per week with $150 Dining Dollars per semester
10 Meals per week with $250 Dining Dollars per semester
7 Meals per week with $325 Dining Dollars per semester

Seven (7) of your meals may be used as Magic Meals at any one of our dining locations. The balance of your meals may be used at our Global Dining locations. For more information, please visit hpudining.com.

*The weekly meal cycle begins on Sunday.

GLOBAL DINING

The Farmers Market, The Café, The Silver Line Diner, and The Village Grille all accept global meal swipes. Each time you dine with one of these locations, one meal is deducted from your weekly meal allowance at time of purchase and are automatically replenished each week.

MAGIC MEAL DINING

Get more for your swipe — use 7 of your meals to utilize for select options at food courts and restaurants across campus throughout the semester. Magic Meals and offerings vary between locations. Magic Meals are deducted from your account at time of purchase and are automatically replenished each week.

DINING DOLLARS

Already included just for you! Dining Dollars work just like cash on your passport, are accepted at all HPU Dining locations except 1924 Prime Steakhouse, and are meant to supplement your Magic Meals. For details visit www.highpoint.edu/concierge. The dining dollar amount is per semester and does not transfer from semester to semester. You may also use your dining dollars at concessions during any athletic events.

CASHLESS CAMPUS & THE PASSPORT CARD GENERAL ACCOUNT

The “HPU Cashless Campus” model ensures that our students are able to enjoy the extraordinary services we provide for their exclusive use in a safe and secure environment. The Passport Card is the only form of payment accepted on campus. Students will need to use their HPU Passport Card when hosting family and friends. The Passport Card also contains a “General Account.” The General Account funds may be used at all dining locations on campus, the campus bookstore or at any of our nearly 100 Passport Partner locations throughout the city of High Point. Students can add funds to their Passport Card General Account through my.highpoint.edu when they are selecting their meal plan or through the eAccounts app by choosing High Point University. Students and parents may make cash and credit/debit card deposits to the Passport card by using one of our “Passport ATM” machines located throughout campus or at my.highpoint.edu. Many Passport Partners in High Point offer discounts to students for using their Passport card to make their purchase.

*For more details on Cashless Campus and the General Account, please contact concierge@highpoint.edu.
We want your dining experience at High Point University to be extraordinary! With 14 dining venues located throughout campus, students have a variety of menu options to suit their palates. We also recognize that many students have specific dietary needs that often require specially prepared items. In order to make these items easily identifiable, we have developed several dining icons. These icons are used to label unique food items at all 14 of our dining venues. If you would like to discuss your dietary needs, please contact the Hospitality Team at hospitality@highpoint.edu. For more information regarding menus and dietary options visit hpudining.com.

Airport Shuttles

Weekend Service
The Piedmont Triad International Airport (GSO) is located 30 minutes from our campus.

Shuttles will run each Friday at 2:00 pm, 5:00 pm, and 8:00 pm. Sunday shuttles will pick up outside the American Airlines baggage claim at GSO at 6:00 pm, 9:00 pm, and midnight. To make a reservation for shuttle service contact concierge@highpoint.edu at least 3 days in advance. Reservations not made 3 days in advance or cancelled with less than 24 hour notice will be charged a $20 fee.

Airport Shuttle Fees
Complimentary airport shuttles are available for students that make reservations at least 3 days in advance and wear HPU gear at the time of check-in, when they travel! When you wear HPU apparel, you help tell the world the extraordinary education at HPU. So, students who wear their t-shirt, sweatshirt or outerwear that has “High Point University” printed on it will receive complimentary airport shuttle service.

Fees for students without a reservation and/or forget to wear HPU gear will be charged: GSO - $20 CLT/RDU - $40.

For the safety and security of our students, shuttle service is provided exclusively for HPU students. You may be asked to present your Passport.

High Point Amtrak Station
The station is located 10 minutes from our campus. Shuttle will depart campus each Friday at 5:30 pm. Shuttle will pick up at the station each Sunday at 7:00 pm and Monday morning at 4:00 am based on reservations made 3 days prior to travel dates.

For the safety and security of our students, shuttle service is provided exclusively for HPU students. To guarantee your reservation, please submit your itinerary 3 days in advance. Reservations placed without 3 days’ notice will be charged the regular fare. Cancellations given without 24 hours' notice or no-shows will also be charged.

For more information visit www.highpoint.edu/concierge

HOW TO TRACK ON-CAMPUS SHUTTLES
Download the shuttle app today!

1. Please search for TransLoc in the app store and download the application.
2. Open the app, click the icon in the top right hand corner, click on transit systems and select High Point University.
3. Please select either the Purple, Silver, Gold or Blue line to track the on-campus shuttles.

The Purple, Silver, Gold or Blue line shuttles can only be tracked when they are running.
Estimated Travel Times:
- GSO – 30 minutes; up to 1 hour during holiday travel
- RDU/CLT – 1.5 hours; up to 3 hours during holiday travel
Travel times to airports are strictly an estimate and times vary greatly based on traffic, weather, and other factors, please plan accordingly. The dates and times listed for scheduled academic breaks are the only ones HPU Transportation shuttle services are provided.

Shuttle Pick-Up Locations:
- GSO – American Airlines Baggage Claim
- RDU – Terminal 1 – Southwest, Terminal 2 – United
- CLT – Zone B Baggage Claim

### Academic Breaks
#### High Point Amtrak Station
- The station is located 10 minutes from our campus.
- Shuttles will depart HPU each Friday.
- Shuttles will pick up at the station each Sunday.
- Please contact Campus Concierge to schedule a time.

---

**All shuttles depart from the R.G. Wanek Center Shuttle Stop.**
Please check in at the R.G. Wanek Center Lobby. Reservations must be made 3 days in advance. If your itinerary requires you to utilize private transportation, please contact the Campus Concierge at 336-841-4636.

For the most up-to-date shuttle information, visit [www.highpoint.edu/transportation](http://www.highpoint.edu/transportation).
Security Assisted Parking

Students may call 336-841-9112 (24 hours a day) for a security officer to meet them at their parked vehicle and transport them to their residence hall.

Private Car & Taxi Service

The Campus Concierge is happy to recommend and arrange for private taxi and town car services for students. Discounted rates are available and students may pay with the HPU Passport Card. For more information on this service, please contact the Campus Concierge at 336-841-4636.

Health Service

Transportation for scheduled health-related appointments, including trips to High Point doctors’ offices and pharmacies, is provided upon request, Monday – Friday 8 am to 5 pm. Students may notify the Transportation Office (transportation@highpoint.edu) for service. Advance notice for appointments is strongly encouraged.

Local Shopping Service

HPU provides shopping shuttle service to local retail establishments during the week and local malls on the weekend. Details will be emailed to students each week. Make sure to check the Campus Concierge Daily Update!

Zipcar

Convenient. Affordable. Good for the environment. HPU has cars available on campus for students to use from Zipcar. Please visit zipcar.com/highpoint for more information.
Incoming students who wish to have a vehicle on campus must register their vehicle online. Students can register one vehicle free of charge. Motorcycles, mopeds, and bicycles must be registered. The decal for these are free.

To log in and register you will use your network username and password. While there, you should review the updated parking regulations.

In order to register your vehicle for the 2019–2020 academic year, please go to the HPU Portal at my.highpoint.edu and click on the vehicle registration button.

You will have two decals issued to be displayed on your vehicle. The smaller one goes on the inside, front top of your windshield, behind the mirror. The larger one goes on the exterior of the rear of your vehicle; do not install when vehicle/glass is hot.

Vehicles must be HPU registered by midnight, August 31.

If you need assistance with registering your vehicle, please call the Security Service Center at 336-841-9142.
Information Technology

HelpDesk
The Office of Information Technology (OIT) offers free services for students in need of technology assistance. High Point University is authorized by manufacturers, such as Apple and Dell, to work on computers under warranty. Charges may apply for devices not under warranty.

Some of our services include:
- Support for all technology needs from hardware to software
- Wireless internet services
- TV and cable support
- Cell phone and other device support
- Password assistance
- Email assistance

For Help Desk assistance students may:
- Submit and track tickets at helpdesk.highpoint.edu
- Call 336-841-HELP(4357)
- Email helpdesk@highpoint.edu
- Walk in (1st floor of Norcross Graduate School)

HPU Portal
my.highpoint.edu
You can use the HPU Portal for easy access to all university systems. Find links such as:
- Blackboard Learn
- Campus Directory
- Campus Enhancement
- Help Desk
- HPU Connect
- Office 365

Visit the HPU Portal at my.highpoint.edu and sign in with your HPU username and password.

Blackboard
Your instructors may use Blackboard to extend the classroom and make course content, resources, grades, and multimedia available to students online. Check with your instructors to see how it will be used in your courses.

Through Blackboard, students can:
- Engage with other students
- Communicate with instructors
- Receive class announcements and updates
- Submit assignments
- Take tests
- Use Blackboard Collaborate as online meeting space

Visit Blackboard through the Portal or at mycourses.highpoint.edu.

Office 365
HPU is fully licensed to provide students with access to Microsoft Office online and for download.

Office 365 is the same Office you already know and use every day, but it is cloud-based, which means that you can access the applications (Office Suite, OneNote, etc.) and your files anywhere at any time using OneDrive. This also enables students to access files across devices and edit documents collaboratively in real-time.

To download and install these powerful software tools for use on your personal computers go to the Portal, click on Office 365 and follow the instructions at the top of the page.

Student Planning
Student Planning is a self-service tool that helps students build an education plan for their entire college career, register for courses, review their schedule, view progress towards their program, and request to meet with a faculty advisor or Student Success Coach all in one place.

Visit Student Planning through the Portal or at myaccount.highpoint.edu.

Portfolium
Portfolium is a digital portfolio platform with social networking and job-seeking capabilities. Students can customize their profiles with work, projects, presentations and much more! It is free for students and alumni—for life. When a student graduates, their account becomes an alumni account and will remain linked to High Point University’s network.

Visit https://portfolium.com/network/high-point-university to view work and profiles of current students.
Email

Every High Point University student receives a unique email address that becomes their account for official High Point University communication. Monitor this account closely for campus announcements, billing information, academic messages, and other communications.

Alumni will retain their HPU email address indefinitely.

Access email on or off-campus online through the Portal or from a mobile device. Visit helpdesk.highpoint.edu for more information about setting email up on your individual devices.

Android devices can vary depending on the model. For further assistance, please contact the IT Help Desk at helpdesk.highpoint.edu, 336-841-HELP(4357), or helpdesk@highpoint.edu.

Information Security

Students should be cautious of the types of content downloaded while on the web. Viruses and other malicious programs result from visiting certain websites, downloading software, plugging in portable drives, and clicking on links in suspicious emails.

At High Point University, students are encouraged to maintain an active anti-virus software subscription, which helps prevent these types of unwanted attacks. OIT is happy to suggest virus protection software and help students download it.

Starfish Retention Solutions

Starfish is an early alert system that is accessed through Blackboard to support student academic success at High Point University. Through Starfish, faculty and university administrators can refer students to the appropriate support resource. Students have the ability to view all individuals who are in their ‘success network’ through Starfish allowing them quick and easy access to obtain the necessary support they may need. The goal of Starfish is to identify at-risk students as early as possible in the term to connect them with support in order to positively impact student success and persistence.

Connect HPU WiFi

Wireless and wired internet services are available in all of the resident hall rooms. For security purposes, connect your devices to HPU WiFi. For Gaming systems and Smart TVs connect to HPU-Gaming. We suggest connecting your gaming devices via Ethernet for the best performance.

- **HPU-Guest**
  - Unsecure network
  - Cannot use to access HPU sites requiring sign-in

- **HPU WiFi**
  - Secure network
  - Use your HPU username and password to sign in

- **HPU-Gaming**
  - SSID: hpu-gaming
  - ***no password***

Follow-Me Printing

OIT provides a campus-wide all-in-one follow-me (swipe-to-release) printing system that allows students to print anytime from anywhere. This ensures printing is confidential to the user and reduces printed waste from documents left uncollected at the printer. Each multifunction printer is linked to a network print server, enabling students to print, copy, or scan from a multitude of locations across campus.

- Visit oit.highpoint.edu to download the print driver
- Print to a HPU Follow-Me Printer
- Swipe your Passport ID at any enabled printer to pick up your documents

Passwords

Each High Point University student receives a username and password used to access a host of applications on campus, including:

- Email (Webmail)
- Blackboard
- HPU Portal
- Computer labs on campus

To change or reset your password go to Password Manager in the Portal or visit mypassword.highpoint.edu.

For more information on this and other topics, please visit the IT website at oit.highpoint.edu.

At High Point University, every student receives an extraordinary education in an inspiring environment with caring people.®

- Important documents for move-in located inside pocket.
- Vehicle hang tag: This is for the primary and/or secondary vehicles you bring to campus and expedites the check-in process.
- Luggage Labels: Our welcome week crew is excited to assist you with move-in. Your personalized labels will be utilized as we move your items from vehicle to residence hall.
- Map and driving directions: The detailed map ensures you arrive at the appropriate campus entrance.

On the Cover: The Honor Code Signing Ceremony is one of the University’s most meaningful and memorable traditions.
