Parking is permitted in marked/defined parking spaces only, with the exception of bicycles. A “parking space” is defined as a paved area designated by painted parallel lines on either sides, or a line on one side and a curb on the other. Parking on any grass, or natural area is prohibited. The absence of “No Parking” signs or curb paint does not indicate parking is permitted.

G. **Responsibility**

Students, faculty and staff are responsible for their visitors and will be held financially responsible for HPU parking/traffic citations issued to family members or friends who use their registered vehicles.

H. **Disabled Vehicles: Duty to Report**

Any person experiencing mechanical difficulty with a vehicle that is disabled or malfunctioning must notify campus security at the time of the malfunction. The calling party may be required to furnish proof (written or otherwise) to security that the vehicle is actually disabled. Drivers are required to remain with any vehicle that becomes disabled in the roadway or travel lane until Security can assess the impact on traffic flow. Such vehicles may be subject to immediate relocation. *Notes affixed to a disabled or malfunctioning vehicle without security verification are not an allowable defense for improper parking.*

I. **Campus Access**

The University is opened to the public between the hours of 6am-10pm seven days a week. During these hours vehicles may enter campus and park without an HPU permit, in any non-illuminated, ADMISSIONS space or any undesignated/unmarked space. Persons/vehicles entering between the hours of 10pm-6am seven days a week must present a valid HPU AVI-registered vehicle, or an HPU Passport to enter campus, or must be an invited guest and must display an HPU visitor parking permit if parked during said hours.

I. **Vehicle Registration Procedures**

1. Vehicle registration or re-registration for students, faculty and staff is available online at [www.highpoint.edu/parking](http://www.highpoint.edu/parking). J. **Handicapped Authorization:** The Handicapped Parking Policy, in compliance with the Americans with Disabilities Act, requires that campus handicapped spaces must be regulated in accordance with guidelines prescribed by the State of North Carolina.
