Waiving HPU’s Insurance

Step 1

Navigate to the my.highpoint.edu portal via https://my.highpoint.edu.

Step 2

Login to see the student menu along the right hand side and find “Health Insurance Information” under My Account. Enter your User ID and Password. 
Note: your User ID is the first part of your email address before the "at" sign. Ex. if your email address is prowlerp15@highpoint.edu your User ID is prowlerp15

Step 3

After clicking on “Health Insurance Information”, you will be taken to the United Healthcare website where you will complete the waiver process. At the bottom of the page, click on “2016-2017 High Point University Waiver Form”.

Step 4

Enter your date of birth and your High Point University Student ID number to sign in. 
Note: Student ID is seven digits long (ex: 745608 needs to be entered as 0745608)
Step 5

Make sure that your information is correct as it appears on the screen and answer the 5 questions under “insurance information”.

Then, enter your current health insurance information. You will need your current health insurance provider card in order to complete this section. After this is completed, enter your name and then click “Submit” at the bottom.

Step 6

After clicking “Submit”, you should see this message below confirming your waiver has been accepted. You will also receive an email to your HPU email account confirming your waiver.

***Charges for Student Health Insurance will be removed from your student account within 48 hours of completing the online waiver.***
