

High Point University has set a goal of ensuring that at least 70% of enrolled undergraduate students graduate in 4 years, 73% of enrolled undergraduate students graduate in 5 years, and 75% of enrolled undergraduate students graduate in 6 years.

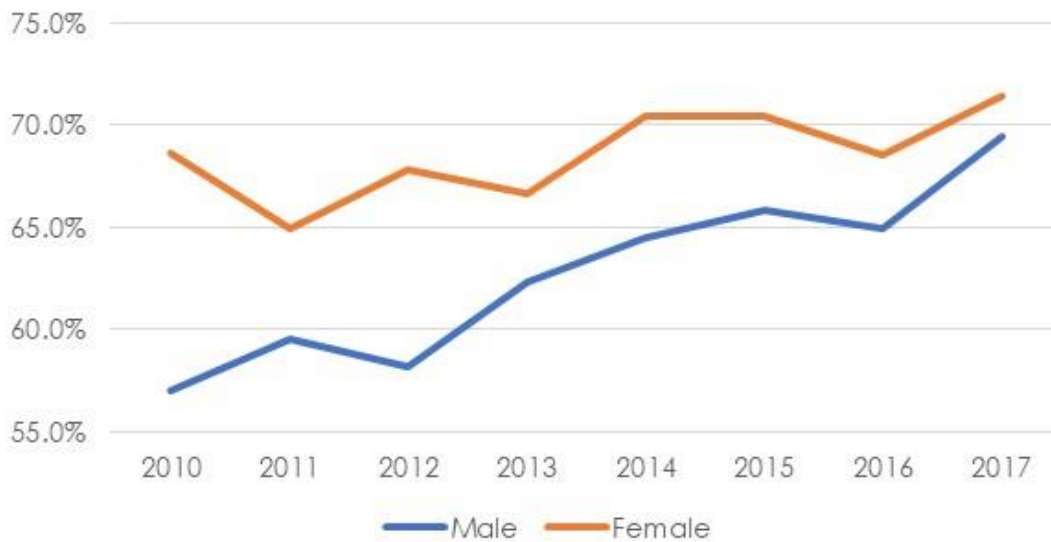

*Graduation rates also include those students who completed our pre-pharmacy program and subsequently enrolled in the PharmD program at HPU.

*Please note, HPU has elected not to report our transfer-out rate as our university's mission does not include providing substantial preparation for students to enroll in other institutions.
