WHAT STUDENTS (AND YOU) NEED MOST

ENGAGEMENT

Student engagement **begins with faculty**—and it begins early.

[Read More Here](#)

ASK STUDENTS

Ask students in an **anonymous Blackboard survey** about their learning experience.

CLASSROOM CULTURE

Create an **environment where students feel valued**, they can ask questions, make mistakes, and they know where to go for help.

EARLY INTERVENTION

Utilize Starfish to flag academic risk and **connect students to support services early**.

BELONGING

Foster a sense of belonging through **peer-to-peer learning that build community**.
