By checking below I am certifying that my department chair (named above) has seen and approved the courses that are included in this proposal.

Yes

Please select the appropriate school overseeing this proposal:

Business

Does this proposal correspond to a particular term?

No

Which category does this change fall under?

- Distribution requirements - major
- Course prerequisite(s)

Name of Major or Minor that you are revising distribution requirements for:

Accounting

Distribution Requirement Changes**What is being changed?**

Students can take either FIN 3010 or FIN 3015 to complete the major when prior to the change only FIN 3010 was accepted

Rationale for change (brief)

ACC 3010, which is required for the major has a lot of content overlap with FIN 3010. Students who choose to take FIN 3015 instead will have exposure to more concepts that will be useful in their careers.

Course Prerequisite Changes

C - Small Curricular Revisions : Entry # 2138

Course Prefix & Number	Current Prerequisite(s)	Proposed Prerequisite(s)
FIN 3015	FIN 3010	FIN 3010 or ACC 3010

Rationale for above changes

The Prerequisite change will allow the Accounting majors to register for FIN 3015 without using an add/drop form or getting additional signatures. It will also allow students who choose a Finance major and Accounting minor to avoid taking both ACC 3010 and FIN 3010. Again, ACC 3010 and FIN 3010 have a significant amount of content overlap. This aligns with the Distribution Requirement Change above.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.

No.

Dean Review**[DEAN] I approve/deny this proposal**

Approve

Comments

I support this change for Accounting majors that wish to take FIN 3015 instead of FIN 3010 to advance their careers.
