Which category does this change fall under?

- Distribution requirements - major

Name of Major or Minor that you are revising distribution requirements for:

Finance

Distribution Requirement Changes**What is being changed?**

Students can take either FIN 3010 or ACC 3010 to complete the major when prior to the change only FIN 3010 was accepted

Rationale for change (brief)

FIN 3010 and ACC 3010 have a significant amount of content overlap.

Rationale for above changes

Currently a popular major/minor combination is a Finance major and Accounting minor. Currently students would be required to take ACC 3010 as part of the Accounting minor and take FIN 3010 as part of the Finance major. There is enough content overlap in these courses that it does not significantly benefit the students to take both.
