By checking below I am certifying that my department chair (named above) has seen and approved the courses that are included in this proposal.

Yes

Please select the appropriate school overseeing this proposal:

Education

Which schools does this affect?

- Education

Does this request correspond to a particular term?

No, just before the 2022-2023 academic year/bulletin

Does this proposal correspond to a particular term?

no

Which category does this change fall under?

- Course description

Changes to course number, name, and/or description

C - Small Curricular Revisions : Entry # 2357

Current Course Number & Name (prefix and number)	Proposed New Course Number & Name	Proposed new description	Brief rationale for change
EDU 5234 STEM Practicum	EDU 5234 STEM Practicum	This course will center on the teaching and evaluation of integrated STEM learning aligned with the Next Generation Science Standards and North Carolina Standard Course of Study for grades K-6. The course will include activity sessions where strategies will be developed and then replicated in the classroom setting through a supervised practicum experience. Candidates will demonstrate their application and evaluation of best practices for teaching elementary STEM.	Updated language needed to keep up with disciplinary norms. Grammar also edited and improved.
Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.			
no
