HSP

Distribution Requirement Changes**What is being changed?**

Replace MGT 3500 with HSP 3500 for both major and minor

Remove HRE 3600 in the minor

Replace HRE 3220 with HSP 2500 in the minor

Add HSP 3300 as an elective for the minor

Rationale for change (brief)

The service management course requirement is being offered under the Hospitality major instead of using the management service management course.

HRE 3600 is no longer offered

HRE 3220 is no longer offered and we now offer a hospitality human resources course.

Adds a hospitality leadership in a global context as an option for the minor.

C - Small Curricular Revisions : Entry # 2384**Rationale for above changes**

This addresses the fact that HRE courses are no longer offered and moves service management to the hospitality major instead of a general service management course. It also adds another HSP choice with a global leadership focus within the electives for the minor.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.
