PEC-4210		This 30-hour field experience provides the opportunity to work with coaches and teams during the season of practice and play. The venue may be a local school, a YMCA, recreation center, a camp, club team, university team, or professional team setting. This course is available in the fall and is required for the Minor in Athletic Coaching. Two credits.	The old field experience settings needed updating, along with, what semester the course is offered. The hours needed to complete the field experience was updated to represent the workload for a 2-credit course and not a 4-credit one.
