**Please describe the rationale for this change**

Currently, INT 2140 is 2 credits and INT 3040 is 4 credits. INT 2140 covers 10,000+ years of history, making it difficult to cover the content in just 2 credit hours. We don't want to increase the credits required for the major, but want to bring these 2 courses into better balance. They both should be 3 credit hours.
