200 Word Summary of Proposal

We need to adjust the Sports Media minor requirements because two prerequisites are in essence creating two "hidden" courses in the minor, which results in a hardship on students attempting to complete the minor. New Minor: COM 2001 Techniques in Media Production, JOU 2243 Writing and Reporting Across Platforms, SPT 2246 Sports Reporting, SPT 2256 Sport and Communication, SPT 3006 Sports Broadcasting. 20 hours

Rationale for Proposed Curriculum

We want to replace the two advanced courses with the two "hidden" prerequisites.

Does this proposal require an interim or transition plan, or can it be implemented immediately? If a transition plan is required, describe this or attach at the end of the proposal.

It can be implemented immediately.

Assessment Strategy

Should be no difference in effectiveness, other than the ability of students to navigate the minor successfully with 20 hours of study, rather than 28.

Please attach department approval page and any other supporting documents. If this proposal requires additional resources beyond normal operating expenses of department, school, or University, attach Provost's Provisional Willingness to Consider.
