Yes

Please select the appropriate school overseeing this proposal:

Engineering

Which schools does this affect?

- Engineering

Does this proposal correspond to a particular term?

fall 2023

Which category does this change fall under?

- Course prerequisite(s)

Course Prerequisite Changes

Course Prefix & Number	Current Prerequisite(s)	Proposed Prerequisite(s)
ECE 4400	ECE 3105 with a grade of C- or higher	ECE 3105 and STS 3005 with grades of C- or higher

Rationale for above changes

STS 3005 was inadvertently left off the list of prerequisites when this course was proposed. Since this class covers random signals and noise, the material in STS 3005 is necessary to ensure student success.
