Dr. Angela Bauer

Comments

- 1) This came to Elston before Bauer, and the approvals should match the approver
- 2) Encourage syllabus be attached, so we can see the shape of the class, even though only the description is being changed

Looks good to me, though, and I will support moving forward. - Ken Elston

Note: Dr. Bauer's email address was incorrectly entered at the time the form was filled out, thus triggering the system to send the proposal to Dean Elston. Dr. Bauer and Dean Elston have since communicated and confirmed the approval of this proposal to revise EXP 1111.
