Course Prerequisite Changes

Course Prefix & Number	Current Prerequisite(s)	Proposed Prerequisite(s)
FIN 3010	ACC 2010	ACC 2010 and Sophomore Standing

Rationale for above changes

Due to some recent initiatives like the Business Fellows program and Learning Communities, students have had the opportunity to complete ACC 2010 during the fall of their freshman year. Therefore, several students were able to register for and attempt FIN 3010 in the spring of their Freshman year. The Finance professors witnessed some significant struggles and failures from those freshmen in the course. It is believed that the material and the workload may not be appropriate for the freshman level.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.

Makes perfect sense. We are doing a similar change for MGT 3220 for the same reason of fellows (as well as some other cohorts) taking MGT 2220 earlier than tradition.
