Which category does this change fall under?

- Distribution requirements - major

Name of Major or Minor that you are revising distribution requirements for:

Finance

Distribution Requirement Changes**What is being changed?**

Students can take either ACC 2020 or ACC 3040 to complete the major when prior to the change only ACC 2020 was accepted

Rationale for change (brief)

ACC 2020 and ACC3040 have a lot of conceptual overlap. However, ACC 3040 uses a more detailed and quantitative approach to the material. This would benefit Finance majors that are up to the challenge. It would helpful for those who have goals involving Corporate Finance.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.

No.

Comments

This is a great move to allow Finance majors and others to more flexibility to complete the Accounting Major.
