Which category does this change fall under?

- Distribution requirements - major

Name of Major or Minor that you are revising distribution requirements for:

Accounting

Distribution Requirement Changes**What is being changed?****Rationale for change (brief)**

Adding 1-credit BUA 2000 to requirements student career readiness, consistency of business core across majors

Rationale for above changes

All of the other business majors require a 1-credit BUA 2000: Business Career Bootcamp. Accounting was not requiring BUA 2000 or BUA 2990 because of the relatively larger ACC credit needs of the major and the relatively more favorable job market conditions for Accounting professionals.

However, the department was convinced that this one-credit course might attract new majors to the profession and help

C - Small Curricular Revisions : Entry # 3043

Accounting majors get even more career ready earlier as high demand for Accounting professionals is moving the internship applications back more than a year before the internship is taking place!

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.

No other departments are affected.
