SCHOOL EPC Comments

Approved with the request that assessments be reviewed and approved by the GEC.

Note from Kris Bell, Director of General Education: "GEC reviewed the proposal and spoke to Jay Putnam, who assured us there is a syllabus with assessments. Because there are no learning outcomes associated with experiential learning, we did not need to review the assessments, only determine it included them. We voted to approve."

Curriculum Review Information**Please list all revised student learning outcomes, including Gen Ed outcomes, for this course**

Through engagement in theatrical production experience the student will:

- relate production concepts to practice through hands on learning experience
- budget and prioritize personal time to complete specific tasks
- evaluate personal strengths and weaknesses for improvement of performance
- respect the efforts of other theatre workers
- help to establish a company mentality in performance and production
- observe and understand how each area of contribution enhances the production as a whole
