Distribution Requirement Changes**What is being changed?**

EMG 3600

Rationale for change (brief)

Adding it to the list of courses a student can select for the EMG minor

Rationale for above changes

EMG 3600 is a recent offering in the EMG curriculum. Currently, the minor requires EMG minors to take EMG 1200, EMG 1400, and EMG 2300, and then they must select 8 Elective Credits. We want this course to be added to the current minor course offerings they may choose from.
