Does this proposal correspond to a particular term?

Fall 2024

Which category does this change fall under?

- Course prerequisite(s)

Course Prerequisite Changes**Course Prefix & Number**

WEL 4650

Current Prerequisite(s)

Junior standing and EXS-2100 or permission from the instructor.

Proposed Prerequisite(s)

Junior standing or permission from the instructor.

Rationale for above changes

The current collection of WEL courses except for WEL 4650 have a prerequisite of "Junior standing or permission from the instructor. Revising the prerequisite for WEL-4650 would: 1) align the course with all other WEL courses; 2) provide students in the BA.H&W access to the course without the burden of completing EXS.2100. EXS.2100 is a foundational course of BS.EXS and not a course requirement for BA.H&W.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties.
