Proposed new name

Health Science Fellows: Freshmen Seminar

Rationale for above changes

C - Small Curricular Revisions : Entry # 3470

The Department of Exercise Science transitioned in name to the Department of Health & Human Performance. The following year, (2023-2024 academic year) the Exercise Science Fellows program changed its name to the Health Science Fellows due to the addition of a new major into the program. The course name change aligns with these recent changes.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties in the box below.

NA
