Distribution Requirement Changes

C - Small Curricular Revisions : Entry # 3475**What is being changed?**

PHL 3009 will count as fulfilling the distribution requirement in the History of Philosophy for the Philosophy Major and Minor

Rationale for change (brief)

PHL 3009 is taught as a History of Philosophy course

Rationale for above changes

We have been informally treating PHL/PSC 3009 (Political Philosophy) as fulfilling the History of Philosophy distribution requirement in the Philosophy major and minor for years but have not requested the formal change to the bulletin. This class is taught as a History of Philosophy course, so it should be formally recognized as doing so. This will make student planning easier for Philosophy majors and minors.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties in the box below.

This does not affect any other department. The class is cross-listed with Political Science, but the change we are requesting only affects the Philosophy major and minor.
