

B - Course Revision Form V. 7.2022 : Entry # 3465**DEAN Decision**

Approved

Today's Date

03/05/2025

Begin Form**Today's Date**

03/05/2025

Your Name

Michael Oudshoorn

Your Email:moudshoo@highpoint.edu**Are you a Department Chair?**

Yes

By checking below, I certify that my department chair has seen and approved the course revisions that are in this proposal

Yes

Please select the appropriate school overseeing this proposal:

Engineering

When should this proposal take effect?

Fall 2026

Are you submitting multiple courses for revision from the same department?

No, just one

Please list all of the courses that you are submitting revisions for:

Course Prefix	Course Number	Course Title
CSC	3270	Machine Learning

What would you like to revise?

- Prerequisites
- Change Course Number (changing level)

Gen Ed & Academic Program Information

B - Course Revision Form V. 7.2022 : Entry # 3465**Is this a revision to meet new Gen Ed requirements?**

No

Is this course part of an academic program?

- This course does not currently fulfill academic program requirements

Does this course, as revised, include any community engagement?

No

Is this course part of GoGlobal?

No

Does this course count towards a major or a minor?

Yes

Please list the course(s) and whether they are required or electives for the major/minor.

Course Prefix/Number	Name of Major and/or Minor?	Required or Elective?
CSC4270	BS in Computer Science	Elective

Is this course cross listed?

No

Choose the department designator for your course from the list below.

Revisions to course number, title, credits, prerequisites**What are the changes to the course number?**

CSc4270 Machine Learning to become CSC4270 Machine Learning

Please list the changes to the prerequisites and the rationale for the change

The current prerequisites are: CSC 1720 and either MTH 2310 or MTH 1425, or by permission of the instructor.

They ought to be changed to CSC 3250 Introduction to Artificial Intelligence and either MTH 2310 or MTH 1425.

This change reflects the fact that the Machine Learning course extends and builds on the Machine Learning content covered in CSC3250. The math requirements remain unchanged.
