Biblical Greek Reading I

Rationale for above changes

C - Small Curricular Revisions : Entry # 3504

The course introduces students to the basics of Biblical Greek. The absence of Greek in the title often creates confusion for some students who register for it without knowing that it is a Greek course. The name change would also bring the course in line with our Hebrew offering, which is titled Biblical Hebrew Reading.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties in the box below.

No.
