- Course description

Learning Outcomes Language

C - Small Curricular Revisions : Entry # 3659

The wording of learning outcome 6 will be changed.

The current wording: 6. Earn a Tableau Desktop Specialist Certification.

The proposed wording: 6. Learn how to pursue Tableau certifications.

*All other learning outcomes are unchanged.

Changes to course description(s)**Current Course Description (as seen in the UG Bulletin)**

An introductory Tableau data visualization course that uses mock business information with a real company. Students will take on the role of a boutique consulting firm and focus on foundational Tableau functions and processes. Students get the opportunity to take the Tableau Desktop Specialist certification exam. Pass/fail. Two credits.

Proposed Revised Course Description

An introductory Tableau data visualization course that uses mock business information with a real company. Students will take on the role of a boutique consulting firm and focus on foundational Tableau functions and processes. Pass/fail. Two credits.

Rationale for above changes

The course no longer includes the opportunity for students to take the Tableau Desktop Specialist certification exam.

Does this change affect any other departments, schools, or programs besides your own? If so, please describe your consultation process with affected parties in the box below.
