Mariana H. Lubein Arboretum and Botanical Gardens

The Minor Infinity Garden

Bursting with color throughout the year, the 9/11 memorial bulb garden serves as a reminder for those we lost on September 11th, 2001. A special planting of *Lycoris squagimera* (resurrection lily) lights up this garden in late summer just in time for 9/11.

Plant list

Woody plants

- | | |
