Sources: U.S. News and the schools. Assessment data collected by Synovate. N/A means that the data were not provided by the school. Western State University and University of La Verne in California, Florida A&M University, John Marshall Law School-Atlanta, Charleston School of Law in South Carolina, Faulkner University in Alabama, and Liberty University in Virginia are not ranked because as of December 2006 they were provisionally approved by the American Bar Association. Three law schools in Puerto Rico—Catholic University, Inter-America University, and the University of Puerto Rico—are not ranked. *The state bar examination pass rates for first-time test takers in summer 2005 and winter 2006 were provided by the National Conference of Bar Examiners.

Note: *The state bar examination pass rates for first-time test takers in summer 2005 and winter 2006 were provided by the National Conference of Bar Examiners. The ratio with ** is from the fall 2005 entering class or school year and the 2004 graduating class as reported to the American Bar Association.
