EXPERIENCE

JULY 1995 – AUGUST 1997

HABILITATION TECH IV, GUILFORD COUNTY MENTAL HEALTH AND SUBSTANCE ABUSE.

I provided direct support and intervention with children and adolescents falling under the Willie M. designation (ages 9-18), whose particular constellation of behavioral, emotional, neurological, and/or academic needs required specially tailored special education or mental health services in a residential setting.

AUGUST 2000 – PRESENT

SCHOOL PSYCHOLOGIST, RANDOLPH COUNTY SCHOOLS.

I completed my School Psychology internship with RCS during the 1999-2000 school year and started work with them as a licensed school psychologist the following year. I have been responsible for all of the traditional school psychologist duties. Additionally, I have provided numerous hours of professional development on at both the school and district level. I have served as the district PBIS coordinator and trainer and have been a member of the district MTSS team. I have completed hundreds of hours of continuing education including multiple CCBD conferences and a full summer program at the Institute of Applied Behavior Analysis in Los Angeles California.

JANUARY 2022 – PRESENT

ADJUNCT PROFESSOR, HIGH POINT UNIVERSITY.

I am teaching evening classes through the school of education at High Point University. I have taught **EDU-3234: Behavioral Intervention and Supports in the Elementary Setting** and **EDU-3245 Classroom Behavioral Management for Special Education K-12.**
