Physician serving as a full-time
Medical Director

About Student Health Services by Cornerstone Health Care

- Our Medical Director is Marnie Marlette, MD. Our team includes Dr. Marlette, Rhys Wittenberg, FNP-C and Alicia Warrick, PA-C
- As part of the Cornerstone Health Care organization, HPU Student Health Services has access to other Cornerstone Health Care practices, including medical specialists
- Common medications can be prescribed and dispensed by our providers on site, however, we cannot fill outside prescriptions. We do not have controlled substances in our dispensing pharmacy. Medications dispensed will be billed to the student account, Passport ID card or prescription insurance. Any non-controlled prescriptions that are not available in our dispensing pharmacy can be delivered to our clinic at no charge.
- HPU Student Health Services can provide allergy injection administration for students who are currently under the care of an outside allergist and actively receiving these injections
- HPU Student Health Services does not diagnose ADHD/ADD, however, we can assist in prescription refills for students who are already under the care of an outside provider for this diagnosis

HPU Student Health Services Location

Our office is located on the lower level of Wilson Hall on Panther Drive on High Point University's campus. Clinic hours are from 8 a.m. - 5:30 p.m. on Monday through Friday during fall and spring semesters, and 8:30 a.m. - 12 p.m. on Monday through Friday during summer sessions. Student Health Services operates on a scheduled appointment basis - students can call or stop by to make an appointment. On weekends and after hours, HPU Student Health Services partners with other Cornerstone affiliates to provide after hours service.
