Program OVERVIEW

High Point University's Pre-Pharmacy major is designed to prepare you for acceptance into the Doctor of Pharmacy (PharmD) degree program in the Fred Wilson School of Pharmacy (FWSOP). This six-year track prioritizes your success by offering academic and hands-on practice experiences designed to boost your confidence, enhance your knowledge, and develop essential Life Skills, all while strengthening your academic expertise for a degree recognized by the International Pharmaceutical Federation (FIP) as a gateway to over 100 career pathways.

An undergraduate degree is not required for acceptance into our Doctor of Pharmacy program.

DIFFERENTIAL ADVANTAGES OF THE PHARM.D. PROGRAM AT HPU:

- The Fred Wilson School of Pharmacy's Integrated Learning Model weaves foundational basic science courses with practical clinical experiences throughout the Pharm.D. program to develop stronger problem-solving skills and the chance to combine classroom learning with real-world application
- Opportunity for students to obtain specialty certificate training in selected disease states such as asthma, diabetes and heart disease
- Standardized live patient interactions begin in the first semester and prepare students to work with patients immediately upon graduation
- Interdisciplinary, collaborative team approach to health care
- Personalized educational experience with a faculty that is committed to their students
- One-on-one advising with dedicated Pre-Pharmacy Success Coach during your first year and FWSOP faculty/staff during your final year of Pre-Pharmacy program

FRED WILSON SCHOOL OF PHARMACY GUARANTEED ADMISSION PROGRAM:

Current high school seniors who enroll as undergraduates at HPU and designate a major of pre-pharmacy are eligible for the FWSOP Guaranteed Admission Program. If all FWSOP Guaranteed Admissions Program Requirements are met, HPU undergraduate students with a designated major of Pre-Pharmacy will matriculate to the FWSOP without competing via general admissions and their deposit fee will be waived. Transfer students who are working toward completing the required pre-requisites may still apply via the general admissions process using the PharmCAS application to the FWSOP but are not eligible for the HPU Pre-Pharmacy major Guaranteed Admission Program.

FWSOP Guaranteed Admission Program Requirements:

- Enrollment in the HPU pre-pharmacy major as a high school senior
- Successful completion of the approved 65 credit hour course plan during two years of undergraduate studies with guidance from the HPU Pre-Pharmacy Major Success Coach and FWSOP Advisor. If college coursework from high school is eligible then course substitutions may be used with approval.
- Maintain a cumulative 3.0 GPA at HPU with no grade below a "C-".
- Required membership in the HPU Pre-Pharmacy Club. Students are strongly encouraged to hold a leadership role.
- Complete an electronic application using PharmCAS and submit it by November 1st of the year prior to beginning the pharmacy program (additional prerequisites may still be in progress).
- Engage in professional behavior at all times. Any institutional or legal sanction will result in dismissal from the Guaranteed Admission Program.
