

Student Planning – Spring 2026

Registration News

Dear Students,

It's time to be thinking about your courses for next Spring. Additional information will be sent at a later date, but for now, please pay close attention to the important dates noted on this page.

Danny K. Brooks, Assistant Vice President & University Registrar

How-to instructions using Student Planning for Students:

<https://myaccount.highpoint.edu>

- Introduction to Student Planning for Students
- Student Guide to Planning Courses
- Student Guide to Creating a Schedule
- Student Guide to Selecting a Section
- Student Guide to Registering for a Term
- Student Guide to Dropping a Course

Plan – Meet – Register. It's as simple as 1-2-3

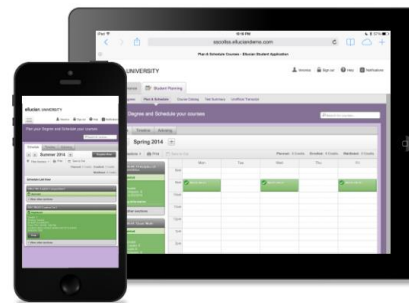

You will need to **'plan'** your courses, then you need to **'meet'** with your advisor for approval, then at your assigned permission to register time, you will **'register'** for your courses. Closer to your registration time, you will receive a 'PERMISSION TO REGISTER' email from the University Registrar which will give you a specific day and time to begin registration. Please check your HPU email regularly. Spring registration begins on October 28 for students with 96 or more credits completed to date.

Student Planning is located at:
