

Housing Waitlists

March 9-July 31, 2026

What is a Housing Waitlist?

After students have selected their housing assignment, they will then have the option to place themselves on waitlist(s) for other buildings/tiers through the housing portal. Waitlist offers begin sometime in the summer.

Adding Waitlists

- Students will have the ability to add themselves to **up to six** waitlists
- Students have the ability to check their position on their waitlists at any time via the housing portal
- We can not predict or guarantee a student will be offered a location on their waitlist

Accept/Decline

- The Office of Student Life will work through the waitlist until July 31, whenever there are openings
- Waitlist offers will be made via phone calls by Student Life staff
- Students will have 24 hours to accept/decline an offer

Any student wishing to make a room change after the start of the semester will work with their Community Director after the housing freeze releases to look at available options.
