Username

Password

[Sign In](#)

[Make a guest deposit](#)

Be sure to click **SEND RECEIPT** at the end of your transaction.
If this is not completed then the transaction may be **VOID**

Instructions:

If you are a student and you want to check your balance or add more money to your passport, please enter in your HPU blackboard username and password.

If you are trying to create a guest deposit for a student, click the link marked -Make a guest deposit- then enter the students first and last name along with the id number provided by the student.

For questions, please contact helpdesk at: 336-841-4357 Email: helpdesk@highpoint.edu

Transact eAccounts - app for phone - to add money to Passport and Check Balance

KL Link, Karen
To: Ayers, Lindsey
Cc: Carr, Samuel

Sam Carr can probably explain better..

Download Transact eAccounts app to your phone

Login with HPU username (ex. Klink)

Add money to Passport (using a Credit/Debit card that was previously a Saved Payment type)

You can not enter a credit card number from this app on your phone for security reasons.

Caveat:

You must one time login with a PC/Mac.. browsers to my.hightpoint.edu, Passport Card and save a Credit/Debit card as a Saved Payment type.

Screenshot : my.hightpoint.edu Saved Payment Methods. You have to place a transaction from this website to Save your credit/debit card as a Saved Payment Method
